Your Info

All Employees/Participants completing this form must enter the information requested in this section as indicated so that they will be properly identified as the originator of the election form.

Your Election

New Employees must complete this section and indicate the dollar amount they wish to contribute to the plan.

Current Participants should complete this section if they wish to change the dollar amount they are currently deferring to the plan.

Your deferrals will start once your Employer has had sufficient time to update their payroll system. If you do not see your deferral starting within a reasonable time, please contact your Employer.

Your Vendor Direction

The vendors approved to receive current contributions are listed in each section. New Employees enrolling in the plan must complete this section of the form to choose the vendors to which they wish to invest contributions and to indicate the dollar amount that will be allocated to each vendor.

Current participants should complete this section if they wish to make changes with whom they are investing their contributions. You must also indicate the account/contract number to which the monies are being allocated with the appropriate vendor. This information should be provided to you by the vendor at the time you opened the account/contract.

If you have not established the account/contract, you cannot select the new vendor at this time.

Once this information has been provided, CPI will input the election(s) amount along with the vendor(s) you have chosen for such

allocations.

Participants should complete the Employer section(s), whether or not they are eligible. Since SWCCCASE will be determining the amount to be allocated, we ask that you indicate the percentage that is to be allocated to each vendor.
